I have the honour to invite reference to this office reply (No. 6 dated 10-5-46) to your U.O. file No.L.213 dated the 11th March 1946 on the above subject communicating the resolution of the Board to the effect that it had no objection to the transfer of the control of the tank to the Municipality and to state that the Engineer Officer attached to the Trust Board reports that the Municipal Commissioner has forwarded a scheme for the layout of roads in the tank bed for execution by the Trust Board, and that the Chief Engineer for Irrigation has formulated an estimate for draining the tank bed as ordered by the Dewan and forwarded it to the Board for necessary action, and suggests that the tank bed may be retained under the control of the Trust Board in modification of the resolution already passed on 24-4-46.

2. This question was considered by the Board and the following resolution was recorded

"That as certain improvements had to be effected in the area and in view of certain other considerations (vide letter of the Chairman), the control of the tank bed in question be retained by

Orders of Government may kindly be obtained in the matter and communicated early.

matter of handing over the control over the

(Govt Order No. 7115/ M 154-35-4, dated 11-3-36.)

Government regret that the request of the Bangalore City Municipal Council that the Dharmambudhi tank bed be made over to the City Municipality cannot be granted as there are no valid grounds to reconsider the orders already passed in this behalf

Subj - Transfer of the control of the bed of the Dharmambudhi tank to Bangalore City Municipality

Sir,

With reference to the correspondence ending with your letter No 140/5 dated 19-7-46, agreeing to the above proposal with the modification that the improvement works may be got executed by the C & T Board, instead of by the P.W Dept I am directed to point out that in G.O. No 4 7115/ML 154-35-9 dated 1-3-1926, it has been definitely ordered that the two tanks (Dharmambudhi and Sampangi) belong to the Govt.

The request of the Bangalore city Municipal Council that the Dharmambudhi tank bed be made over to the Municipality cannot therefore be acceded and the Municipality being intimated accordingly

Government consider that the improvement works to the Dharmambudhi tank or the tank bed or the tank bund cannot be entrusted to any of the Local Bodies, viz the Bangalore city Municipal Council or the city Improvement Trust Board, and that they should continue to be attended to by the P.W.D. and that the draining of the water in the tank bed should accordingly be done by the P.W.D.

Action may be kindly taken accordingly
